

To support our international customers, we seek to expand our Biocides Team in Mertert (Luxembourg) with a motivated

Toxicologist – Regulatory Affairs Advisor Biocides (full-time)

We at **CHEMSERVICE** support our clients in the review, implementation and observation of national and international chemical regulations. Due to our flat hierarchies, our efficient work processes and the ability to react quickly and flexibly to requests, Chemservice has developed into one of the leading global consultancies to the chemical industry and its value chain over the past 17 years. We are committed to the professional and personal development of all our 70 employees located in Europe, South Korea and the United States. We are constantly developing ourselves in order to continue providing our clients with the best possible advice and giving them a competitive edge.

Your tasks:

- Supporting dossier preparation for biocidal active substances and products to obtain international approvals and authorisations.
- Assessing toxicological properties of diverse biocidal active substances and products.
- Preparing toxicological expert statements and risk assessments.
- Communicating with our international customers, the authorities, and testing laboratories.
- Developing creative problem-solving strategies.

Your profile:

- Ideally, you have an academic degree in natural sciences related to toxicology (e.g. biology, (food) chemistry, toxicology, pharmacy) or relevant professional experience in the chemical industry.
- You have very good communication and presentation skills in English and German.
- You enjoy complex tasks and you are ready for a new challenging field of activities.
- You are a team player and work in a reliable and structured way.
- You are willing to familiarise with national and international regulatory requirements.
- Experience with chemical control legislations such as the Biocidal Products Regulation (BPR, Regulation (EU) 528/2012) or the REACH Regulation (Regulation (EC) 1907/2006) would be an asset.

We offer you:

- Interesting tasks in an international business environment.
- Becoming part of a dedicated team with a high level of expertise.
- A permanent full-time contract with attractive salary and bonuses.
- Employer-financed company pension scheme.
- A professional on-the-job training and enough time to familiarise yourself with your area of responsibility.
- Flexible working hours and the possibility of mobile working.
